

## Reality Works: Real Care Baby Permission Slip

As a parent or guardian of a student who is eligible to participate in the Real Care baby program, I have read and understand the following:

The Real Care baby program will require \_\_\_\_\_ to be the *sole* caretaker of the infant simulator, whose sounds replicate those of a real infant. The experience is intended to demonstrate to my student the full-time commitment and skills required for caring for an infant.

Real Care Baby will require care throughout the day and night. When Baby cries, it will be the responsibility of my student to attend to Baby's needs. Baby's crying and need for care may cause my student to lose sleep, and may possibly disturb other family members.

I am aware of all safety precautions my student must be aware of while caring for Baby.

The Real Care infant simulators are school property. If Baby is abused, damaged, or lost while in my student's care, I will be held responsible for repair or replacement costs. The minimum repair charge is \$100.00. Replacing the entire baby is \$800.00.

### Replacement part costs:

Body part - \$300.00	Bottle - \$10.00	Bottle cap - \$10.00
Wristband/ID - \$19.00	Diaper bag - \$40.00	Receiving blanket - \$20.00
Infant body suit - \$19.00	Car seat/carrier - \$155.00	Infant outerwear - \$35.00
Infant sleeper - \$15.00	Diaper (1 pair) - \$20.00	Shipping items - \$10-20.00

Having read all of the above, I **agree** to allow \_\_\_\_\_ to participate in the Real Care Baby simulation.

.....

**NO**, I do not wish my student to participate in the Real Care Baby program. I understand that if I do not allow my student to participate in this project, he or she will not receive a lower grade because of my refusal. I understand that an alternative project requiring an equal amount of work will be given as a substitute for this project.
